Actual result

NO error message

Notes

Bug ID	#04
Test case ID	TC_San_page_Smoke_5
Reporter	Abdelrahman Ellithy
Submit Date	24 / 11 / 2023
Summary	bug appeared when verify that page will reload correctly
URL	Texas Chicken
Screenshot	 The screenshot shows the Texas Chicken website's sandwich menu. The menu lists items like 'Chicken Crunch' and 'Chicken Crunch Sandwich' with their prices. Overlaid on the right side of the screenshot is the browser's developer console, which displays several error messages. These errors include 'Failed to load resource: the server responded with a status of 404 (Not Found)' and 'Tracking Prevention blocked access to storage for https://18008029231.duckduckgo.net/activities/...'. The errors are repeated multiple times for different resources.
Platform	Windows
Operating System	11
Browser	Edge
Severity	critical
Assigned to	/
Priority	High

Type : Functional

Steps to reproduce

- 1-open website
- 2-navigate to sandwich page

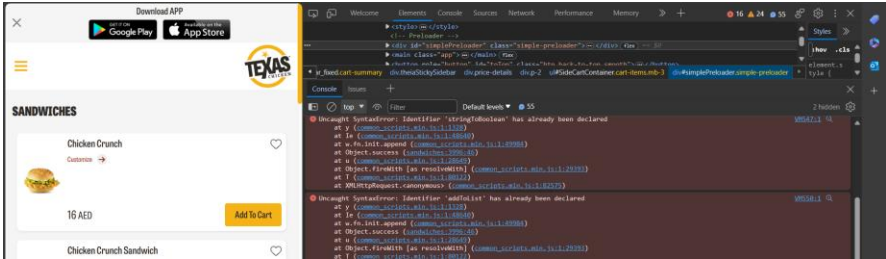

Expected result

Page reloaded with no errors and connection is stable.

Actual result

Page reloaded with error and API connection is not stable.

Notes

Bug ID	#05
Test case ID	TC_San_MyCart_btn_9
Reporter	Abdelrahman Ellithy
Submit Date	24 / 11 / 2023
Summary	bug appeared when verify 'my cart' button functionality after adding item
URL	Texas Chicken
Screenshot	 The screenshot shows the Texas Chicken website's 'SANDWICHES' section. It lists 'Chicken Crunch' with a price of '16 AED' and an 'Add To Cart' button. To the right, the browser's developer console is open, displaying several JavaScript errors. The first error is 'Uncaught SyntaxError: Identifier 'StringToBoolean' has already been declared'. Subsequent errors include 'Uncaught ReferenceError: StringToBoolean is not defined' and 'Uncaught ReferenceError: StringToBoolean is not defined'. The console also shows some successful log messages.
Platform	Windows
Operating System	11
Browser	Edge
Severity	critical
Assigned to	/
Priority	High
